

2024 SPONSORSHIP PACKAGES

Murwillumbah Colts Junior Rugby League Football Club just keeps raring. We have completed another successful year with a record number of registrations this season. Assisting in our increasing success is our Girls League Tag and Tackle teams which have really taken off this season. This would not be possible without you, the sponsor. Your support is greatly appreciated.

As you will all be well aware, costs have increased around the globe therefore we will be making changes and trying new things to make it more sustainable going forward for the club and our league community.

As all our new gear needs to be ordered by December, to ensure your position on the clothing, we need confirmation no later than 30th November so the designs and orders can be made.

First in will have priority but we will work with anyone to accommodate your support in any way we can.

If you wish to discuss an alternative sponsorship or donation or care to help our club in another way, please don't hesitate to ask.
